 SHADE SCREENS & MORE.

RATTAN POLES

Rattan Poles are a round, solid, wood-like tropical vine which is used for making furniture and in Tropical Restaurants for trim work. Also used for decorative screens using our Ceramic or Wood Tiles and for ceiling grids.

Indo-Palassan Rattan Poles have visible nodes but the entire pole has been scraped and sanded and is easily stained and sealed for trim work.

#1061
30/35mm (1¼"-1½" dia) 10' to 15' poles. \$1.20 per linear foot

#1062
35/40mm (1½"-1-5/8" dia) 10' to 15' poles. \$1.40 per linear foot

Natural Manau Rattan Poles have very visible and pronounced nodes with yellow/brown skin-like bark left on. Hard and solid Rattan. Same uses as above. Poles are uneven on the surface and not entirely round. Not as straight as Indo-Palassan poles. Will not take stain.

#1065
25/30mm (1"-1¼" dia) 9'+ poles \$12.20 each pole

#1066
30/35mm (1¼"-1½" dia) 9'+ poles \$12.60 each pole

Poles can be purchased in bale lots at a further discount when available. Call for price and availability.

DECORATOR SERVICES FOR RATTAN POLES

Flameproofing: \$3.00 each full round pole.
\$1.50 each half round pole.
Minimum charge is \$40.00 net.

NOTE: Most of these Light Fixtures are custom made to order and many depend upon availability of baskets and parts. For this reason, from time to time we may be out of a certain light.

All sizes shown are approximate.

These lights are not wired or lamped unless noted, as most city and county building codes call for direct wiring to outlet boxes with separate hooks for hanging the light on.
